

Swiss NanoConvention 2024

4–5 June 2024

Congress Center Basel

The Swiss NanoConvention brings together Swiss and international leaders in nanoscience and nanotechnology. It is a platform for connecting people, networking, debating and exchanging ideas – and generating new ones.

Selected speakers:

Harry Anderson, University of Oxford
Simon Gröblacher, TU Delft
Sébastien Lecommandoux, University of Bordeaux
Jean-Christophe Leroux, ETHZ
Kathryn A. Moler, University of Stanford
Marija Plodinec, Artidis
Christian Schönenberger, University of Basel
Simone Schürle-Finke, ETHZ
